March 2010

---

## Words from the Commandant

Elections are over and I Malcolm "Mac" Garner, Jr have been elected by you to lead the detachment forward. I want to thank all of you in advance for your support and to let you know that this marine will indeed do what is best for our detachment and its members. Also elected to assist me are Sr. Vice Harry D "Skip" Larsen; Jr. Vice Harold Bates; and Judge Advocate Troy Noel. Other staff officers will be appointed by me. Their names will be announced on Installation Night. February 13, 2010 at 1900 hrs ( 7:00pm)

It was rewarding to see a large number of our members at our January General Membership meeting which was also election night. That tells me that you are interested in the affairs of the detachment. I ask that you attend our general membership meetings whenever possible as your input is very important when decisions are being made. Let's all work together to increase membership attendance at meetings.

Newsletters are for sure a great way to get the word out to let every member know what is going on at our detachment. The newsletter as you know is called "Scuttlebutt." The size and contents of our newsletter will depend upon the input that is received from you, the reader. If you would like to contribute to the newsletter, please contact Troy Noel, our Judge Advocate, and also the editor of our newsletter. Thank you Troy for your undertaking of this project. Believe me, you are doing a great job.

This coming year is going to be a challenge for our detachment. Development is all around us. Because of this, we indeed need to know where we stand with our home. A meeting has been scheduled for March 3<sup>rd</sup> at 1900 hrs (7:00pm) with Prince William County officials at the detachment, to brief us on our status. Please make plans to attend this meeting. I will keep you posted if this date changes.

In closing, I am proud to be your newly elected Commandant. You all have become a big part of my life. I will do my best to not let you down. Remember to thank our military, both active and retired, for their service. We enjoy our freedoms because of them. I encourage you to visit our veterans in the hospital, the joy you bring them is nothing compared to the joy you receive from talking and interacting with them. I am currently making plans to make a trip this spring. Let me know if you are interested in a pizza and bingo party with them.

Semper Fidelis,  
Malcolm "Mac" Garner Jr.
